PROFILE SUMMARY

B.Tech graduate in Artificial Intelligence and Machine Learning with a strong foundation in core ML concepts. A proactive learner and problem-solver with solid debugging skills, supported by practical experience through academic projects and active involvement in technical and leadership activities. Adaptable, eager to learn, and ready to grow in a professional software environment.

ACADEMIC QUALIFICATIONS

Bachelor of Technology – Artificial Intelligence and Machine Learning CGPA: 7.3 / 10	2026
Higher Secondary Education – Science Computer CGPA: 9.7 / 10	2021
Secondary Education CGPA: 9.3 / 10	2019

PROJECTS

SMART AI-BASED LOAD FORECASTING Objective: AI-based forecasting (Temporal Fusion Transformer) to accurately predict electricity demand using weather, grid, and event data. It then applies reinforcement learning to optimally manage surplus renewable energy, reducing fossil fuel dependence and improving smart grid efficiency. Tech: Python, Temporal Fusion Transformer	March 2026
TONE CHANGER Objective: Converts input text into different tones (professional, friendly,informal, formal) using pretrained NLP models. Preserves the original meaning while changing the writing style, with a simple interface for user interaction. Tech: Python, NLP	May 2026
MULTI-OMIC DRUG REPURPOSING Objective: Built a deep learning model using gene and microRNA data to find disease-related pathways and improve prediction accuracy. Highlighted potential drugs that can be reused for treatment Tech: Python, Deep Learning, HTML	April 2025

CORE COMPETENCIES

Technical Skills: Python, SQL, Machine Learning , NLP
Soft Skills: Efficient team collaborator with strong coordination skills. , Time Management

CERTIFICATIONS AND WORKSHOPS

- The Joy of Computing Using Python – NPTEL, 2023
- EF SET English Certificate 74/100 (C2 Proficient) , 2026
- The Fundamentals of Digital Marketing, 2021
- Generative AI Workshop – ISTE MACE, 2024
- Gen AI and Prompt Engineering Workshop, 2024

POSITION OF RESPONSIBILITY

Team Captain – Sanskriti 26 (College Arts and Cultural Fest)	2026
Documentation Crew – Takshak 24 (College Tech Fest)	2024
Operations & Data Systems Associate – Trackon Couriers Kothamangalam (Part-Time)	2025 - 26
